Where Do I Live?

1. Make a list of all the Native or Indigenous groups you know.
** Underline all the groups that you think are located within California's geographic borders.*

2. Go to Native-land.ca and use the *zoom* and *toggle* features to answer the following questions:
 - a. How many territories can you count?
 - b. How many languages can you count?
 - c. What Tribal territories exist in your county?
 - d. Why do you think some of the Tribal territories overlap with one another?
 - e. Try to find the border between California and Mexico; what do you notice?
 - f. Try to find the border between California and Nevada; what do you notice?
 - g. How does this map **challenge** the way we think about borders?
