## Create A Map

### Instructions:

1. Write the English words for the four directions next to their Coast Miwok translations.
2. In the middle of your map, draw a picture of your house or school.
3. Add the other sites you found in your Google Maps Scavenger Hunt in relation to your house or school
  - a. For example, if the ocean is **WEST** of your house/school, then put it on the left side of the map. If it is **FAR** from your house/school, draw it closer to the edge. If it is **NEAR** your house/school, draw it closer to the middle..
